CROWNFUNDING CAMPAIGN

They tried to shut us down and cancel our activities.

Thanks to the support of those who were at our side, numerous attempts have failed.

Thanks to you, we could freely realize our concrete utopia, without godfathers or masters.

If we reach the finish line well, many, many others will be able to get there!

Let's hoist the sails! The crowdfunding campaign starts!

Amplify Anarchy!

EIGHTY DESIRE FOR ANARCHY! 1945-2025

THE PROMOTER

The promoter is the anarchist group C. Cafiero founded in the Garbatella district in 1945, a few months after the liberation of Rome from Nazi-fascism. The inauguration of the group was in a small cellar in via Vettor Fausto 3, at lot 13, and took place during a conference of anti-fascist anarchists at the Palladium dedicated to Carlo Cafiero. Generations, groups, collectives, associations, editorial offices of newspapers and magazines, theater companies and musical groups, artists, poets have passed through the Cafiero group, a microcosm in the heart of this neighborhood connected with the self-managed and self-organized cultural and political experiences in the struggles of the anti-authoritarian movement international.

THANKS TO THE COLLABORATION AND AVAILABILITY IN SELF-MANAGEMENT, MANY STEPS FORWARD HAVE BEEN MADE FROM 2011 TO TODAY

THE OBJECTIVES ACHIEVED

THE ABANDONED PLACE HAS REBUILT ITS USE VALUE AND THE ANARCHIST SPACE 19 JULY HAS ENHANCED IT BY PROMOTING MANY INITIATIVES INCLUDING THE FOUNDATION OF THE 19 JULY CULTURAL ASSOCIATION.

FUTURE OBJECTIVES

We want to acquire adequate furnishings for the library and archive, adequate collective IT equipment, everything necessary to assemble a system that allows us energy autonomy, increase external environmental furnishings, adequate collective technical equipment for projections and for concerts, the furnishing of the kitchen, to renovate the accesses to the venue, to equip ourselves for an editorial project.

WE HAVE A CERTAINTY.

We intend to materialize the aforementioned wishes by proceeding step by step towards their effective realization.

WE HAVE AN AMBITION

At the same time we have the ambition to carry out and continue in self-management our activities of local and international solidarity, our cultural, political and social activities in a libertarian perspective, take care of the presentations and dissemination of anarchy books and publishing, to self-manage and share our free time, publish and promote social events, share activities and open requests without godfathers or masters.

BUY ANARCHIST SPACE JULY 19? IT CAN BE DONE! PARTICIPATE TO THE REVOLT: JOIN AND CONTRIBUTE.

Over the past year and a half we have been faced with the risk then of having to abandon the space due to the repeated, exorbitant, unfair and authoritarian demands by the entity that owns the venue. We have had to organize assemblies, garrisons, solidarity breakfasts and concerts, meetings press releases, activate legal support and much more. We have had to defend our reasons and this, even today, is requiring us an extraordinary economic effort. Thanks to support and solidarity we are incurring extraordinary expenses.

For collective ownership free of blackmail, without godfathers or masters, we are relaunching the hypothesis of buying the Space and this choice,

along with the others, will be shared in the continuation of this campaign.

For the campaign we have planned a minimum budget of 75000 euros.

How

can you support the campaign?

-Devolving any amount in support;

-Downloading, printing and posting the poster and the campaign graphics materials in the association spaces and circles you frequent;

story of this space, of our group, of this struggle;
