

British thank yous

Kurdish food recs

A foot deep in mud

Grown up kids

Surprised with marvel cakes

Kids already grown up

Seek condoms for their phones

Gunshots at the Sudanese camp

Orange

It was behind that car

Green

Back to toreello

di prima o seconda?

Missing life to uphold humanity

Litter picking a zig zag

Tra i pezzi delle vite degli altri

Wet dirty socks spotted everywhere

Turds in t-shirt wraps

Let's bleach the showers

Fights in the food line

With fists full of dirt

Burnt cement blocks

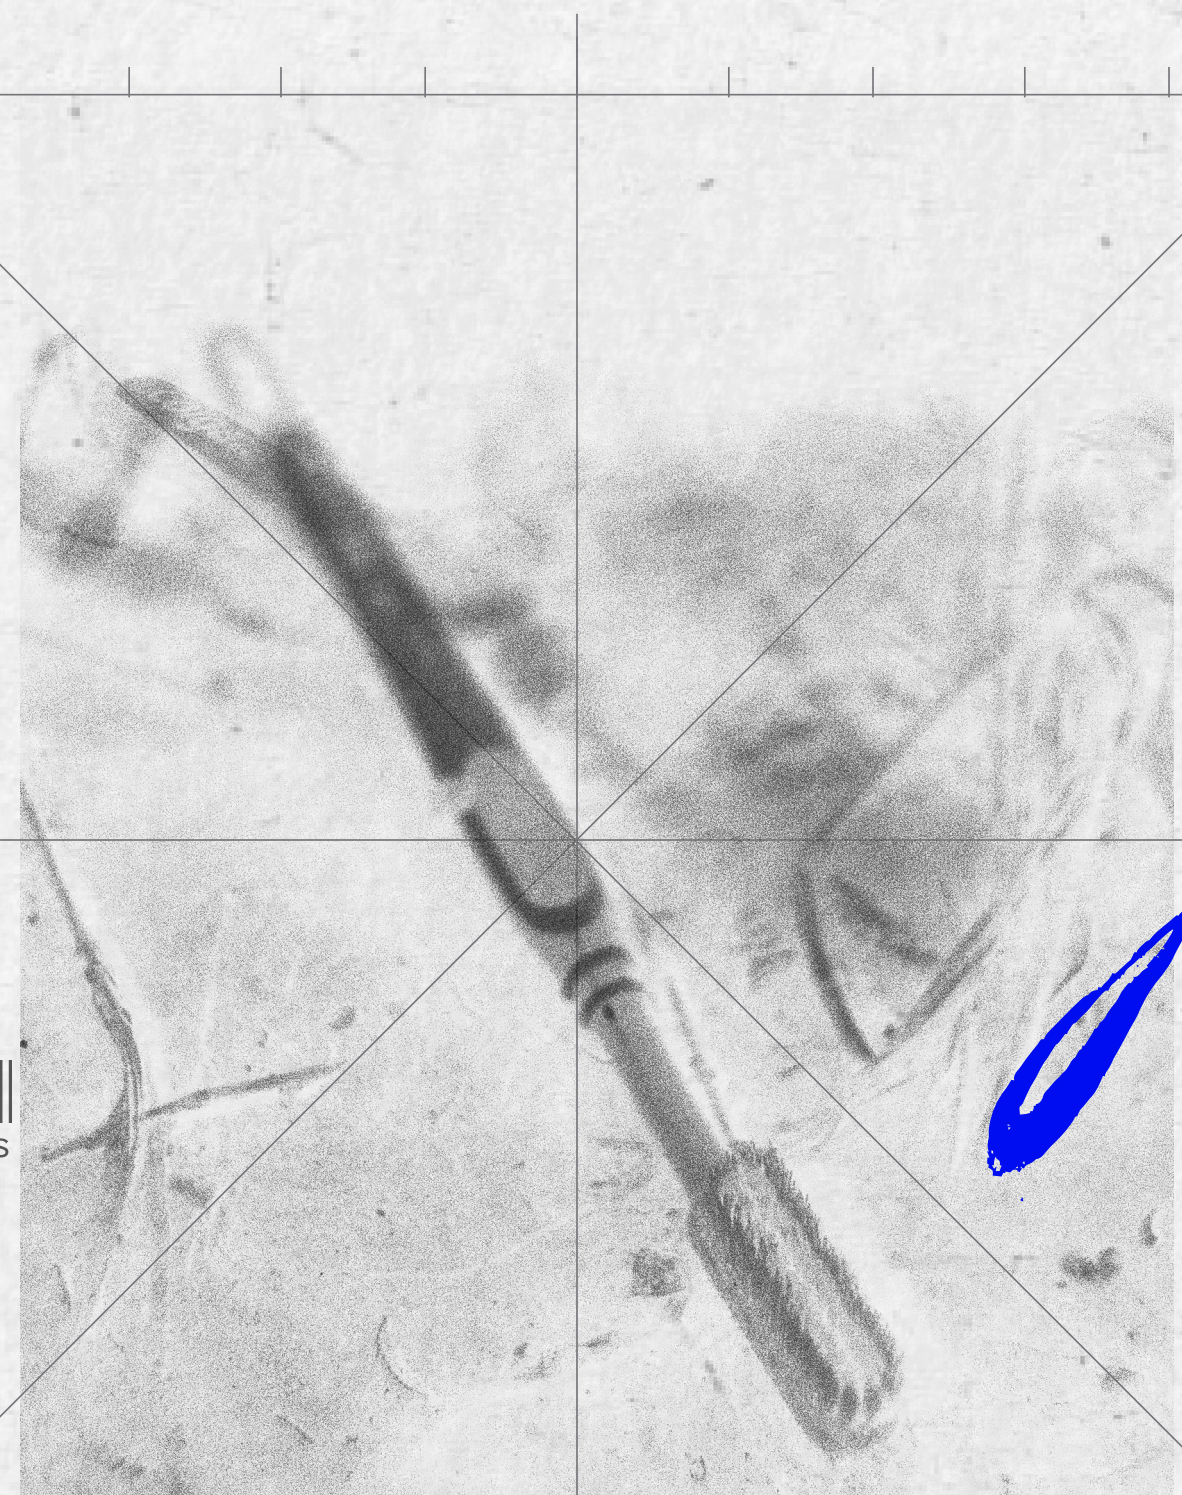

Can't use them for the gazebos

Anarchist friends found at the border

Afghani refugees for rishi sunak

Ponds, lives

Stagnating as we pass by

Smiles

Tonight focaccia for all

Tomorrow we do hot showers

insha'Allah che il mare ti sia lieve
